

§ 155.3

32 CFR Ch. I (7–1–11 Edition)

§ 155.3 Definitions.

(a) *Applicant*. Any U.S. citizen who holds or requires a security clearance or any immigrant alien who holds or requires a limited access authorization for access to classified information needed in connection with his or her employment in the private sector; any U.S. citizen who is a direct-hire employee or selectee for a position with the North Atlantic Treaty Organization (NATO) and who holds or requires NATO certificates of security clearance or security assurances for access to U.S. or foreign classified information; or any U.S. citizen nominated by the Red Cross or United Service Organizations for assignment with the Military Services overseas. The term “applicant” does not apply to those U.S. citizens who are seconded to NATO by U.S. Departments and Agencies or to U.S. citizens recruited through such Agencies in response to a request from NATO.

(b) *Clearance Decision*. A decision made in accordance with this part concerning whether it is clearly consistent with the national interest to grant an applicant a security clearance for access to Confidential, Secret, or Top Secret information. A favorable clearance decision establishes eligibility of the applicant to be granted a security clearance for access at the level governed by the documented need for such access, and the type of investigation specified for that level in 32 CFR part 154. An unfavorable clearance decision denies any application for a security clearance and revokes any existing security clearance, thereby preventing access to classified information at any level and the retention of any existing security clearance.

§ 155.4 Policy.

It is DoD policy that:

(a) All proceedings provided for by this part shall be conducted in a fair and impartial manner.

(b) A clearance decision reflects the basis for an ultimate finding as to whether it is clearly consistent with the national interest to grant or continue a security clearance for the applicant.

(c) Except as otherwise provided for by E.O. 10865, as amended, or this part,

a final unfavorable clearance decision shall not be made without first providing the applicant with:

(1) Notice of specific reasons for the proposed action.

(2) An opportunity to respond to the reasons.

(3) Notice of the right to a hearing and the opportunity to cross-examine persons providing information adverse to the applicant.

(4) Opportunity to present evidence on his or her own behalf, or to be represented by counsel or personal representative.

(5) Written notice of final clearance decisions.

(6) Notice of appeal procedures.

(d) Actions pursuant to this part shall cease upon termination of the applicant's need for access to classified information except in those cases in which:

(1) A hearing has commenced;

(2) A clearance decision has been issued; or

(3) The applicant's security clearance was suspended and the applicant provided a written request that the case continue.
